About Opus

Opus is a technology driven growth company in the vehicle inspection and vehicle services markets. The company has a strong focus on customer service and innovative technology within emission and safety testing and vehicle services. The Group had approximately SEK 1.7 billion in revenues in 2016 with strong operating cash flow and good operating profitability. Opus' plan is to double its revenues to reach USD 400 million in revenues and USD 100 million in EBITDA by 2021. The main growth is estimated to come from the expansion of the vehicle communication and services business and the international expansion of the vehicle inspection business with a primary focus on the Latin American and Asian markets. With approximately 2,000 employees, Opus is headquartered in Gothenburg, Sweden. Opus has 30 regional offices of which 20 are located in the United States and the others in Stockholm, Peru, Chile, Argentina, Australia, Germany (dormant), Mexico and Pakistan. Opus has production facilities in the U.S. in Hartford, Ann Arbor and Tucson. The Opus share is listed on Nasdaq Stockholm.
