### Opus Group AB (publ) repays vendor note from AB Svensk Bilprovning

Today, Opus Group repaid the vendor that the company received from AB Svensk Bilprovning in connection with Opus Group's acquisition of Besiktningskluster 1 AB (today Opus Bilprovning AB) in November 2012. On October 17, 2013, the vendor note amounted to SEK 171,503,404 including accrued interest. The vendor note was repaid in full.

"I am grateful that we can repay the vendor note from AB Svensk Bilprovning already within one year after the acquisition. The vendor note had a maturity of five years, but thanks to the very positive response Opus Group received in connection with the corporate bond issue of SEK 200 million that Opus Group placed last week, we can now repay the vendor note. Opus Group continues to perform well and our subsidiary Opus Bilprovning is constantly working with increasing accessibility, service offerings and service to the customers in the Swedish vehicle inspection market", says Magnus Greko, CEO of Opus Group AB.
