About Opus

Opus is a technology-driven growth company in the vehicle inspection and intelligent vehicle support markets. The company has a strong focus on customer service and innovative technology within emission and safety testing and intelligent vehicle support. Opus had approximately SEK 2.5 billion in revenues in 2018 with solid operating profit and cash flow. Opus' goal is to reach an annual revenue growth of 5-10 percent, through organic and acquisitive growth based on 3-year CAGR, and an EBITA margin of 15 percent. The majority of the growth is estimated to come from the international expansion of the vehicle inspection business, with a primary focus on the Latin American and Asian markets, and the expansion of the intelligent vehicle support business. With approximately 2,600 employees, Opus is headquartered in Gothenburg, Sweden. Opus has 34 regional offices, 24 of which are in the United States and the others in Sweden, Argentina, Chile, Mexico, Peru, Pakistan, United Kingdom, Spain and Australia. Opus has production facilities in the U.S. in Hartford, Ann Arbor and Tucson. The shares of Opus Group are listed on Nasdaq Stockholm.
